Please Note: Trip locations are subject to change.

## CIT Program (Counselors in Training)

Looking for something fun this summer? Become a Camp Stay & Play CIT! CIT's is a training program that provides energetic teens, ages 13+, opportunities to develop their leadership skills and gain experience within a day camp setting. CIT's are expected to assist the Camp Stay & Play staff with all scheduled activities and to be a positive role-model for the children in the camp. **The steps of becoming a CIT are:**

- Contact Milpitas Recreation Services before June 1, 2005, (408) 586-3210 to complete a City Volunteer Application
- Interview with the Youth Development Coordinator
- Provide negative test results from a Tuberculosis Test
- Be age 13 by first day of program
- Upon acceptance, pay a fee of \$60 (\$50 resident fee), per session. Fee covers cost of field trip admissions and supplies.

### Sessions Dates/Times:

- Monday-Friday, 8:30 am-4:30 pm
- June 27-July 15
- July 25-August 12

Trip Week is not a part of the CIT program.

## Flight Academy Camp

It's a bird! It's a plane! No, it's ...everything from the earliest flying machines to the first rocket flights. This hands-on program will let you learn all about aerodynamics and the world above us. Explore the basic principles of flight, build airplanes, test them in wind tunnels, ride a hovercraft and construct balloon copters. Discover the mysteries of the galaxy, learn about celestial navigation and take home your own rocket to launch. Ages 5-12.

### Please Note:

- Instructor: Mad Science of the Bay Area Instructors.
- Classes held at Jose Higuera Adobe Park Building.
- Fee includes T-shirt, daily snacks and non-carbonated beverages.

## Earth Explorers Camp

Find out about the most incredible machine known to man - you! Discover why you have all those parts, and how they interact together to keep you going, even while you're asleep. Explore what you and an onion have in common as we take a trip through Cell City. Study the organisms that we share the earth with, and learn how the food chain works as you ponder owl-ology. Look at changes that people are making to the environment and how you can be more earth-friendly. Ages 5-12.

### Please Note:

- Instructor: Mad Science of the Bay Area Instructors.
- Classes held at Jose Higuera Adobe Park Building.
- Fee includes T-shirt, daily snacks and non-carbonated beverages.

## The Garden Camp

Blossoming minds will love this week! Specially designed for the inquisitive pre-K/Kindergarten, this week teaches all about the amazing things that happen in the garden. Explore how things start to grow in the ground and learn that plants, fruits and vegetables start from seeds. Learn what seeds need to grow and where they get them as we study weather. Discover the roles that bugs and butterflies play in making your garden grow. Ages 4-6.

### Please Note:

- Instructor: Mad Science of the Bay Area Instructors.
- Classes held at Jose Higuera Adobe Park Building.

## Secret Agent Lab Camp

Take a walk on the wild side in this crazy week of sleuth science. Send messages to your friends using secret codes. Mix it up as we experiment with molecular madness, radical reactions and "fizz"ical and chemical reactions. Ages 5-12.

### Please Note:

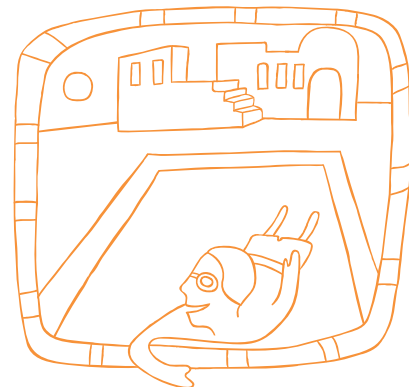

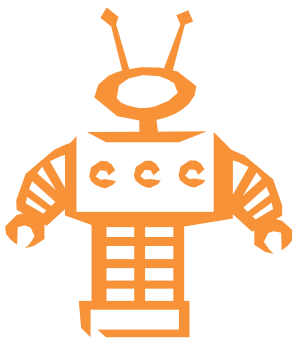

- Instructor: Mad Science of the Bay Area Instructors.
- Classes held at Jose Higuera Adobe Park Building.
- Fee includes T-shirt, daily snacks and non-carbonated beverages.

## Red-Hot Robots Camp

Join us for a week of fun with robots! Learn about the uses of robots in our world and spend time experimenting with super cool robots that do all kinds of neat things (sorry, we can't show you the one that does homework!) Discover the science of circuits and how robots use sensors to explore things around them. Use your skills to build your very own working robot to take home with you. Ages 7-12.

### Please Note:

- Instructor: Mad Science of the Bay Area Instructors.
- Classes held at Jose Higuera Adobe Park Building.

## Swim Camp

Each week focuses on a different competitive stroke: freestyle, backstroke, butterfly and breaststroke. Emphasis is placed on perfection and refinement of strokes, starts, turns, drills and introduction to competition. Participants must be able to complete one lap of freestyle. Ages 8-16.

### Please Note:

- Instructor: Recreation Aquatic Staff.
- Class held at Sports Center.

## Water Polo Camp

Join this exciting new sport! Water Polo is a combination of soccer and basketball in the pool! Come learn the fundamentals of the game, including ball handling, dribbling, passing and game strategies. Participants must be able to swim 1 lap of freestyle and tread water for 1 minute. Ages 8-16.

### Please Note:

- Instructor: Recreation Aquatic Staff.
- Class held at Milpitas High School.

## Mini-Hawk - Skyhawks Program

Due to the increasing demand for introductory sports programs, Skyhawks developed this program for boys and girls. The program promotes a philosophy of fun while teaching soccer, baseball and basketball in a day program setting and giving more individual attention to the participants. This program helps eager minds explore three different sports without the pressure to choose one over another. Mini-Hawkers learn sports skills and basic team strategies through unique Skyhawks games. Participants receive mini-ball and T-shirt. Ages 4-7.

### Please Note:

- Instructor: Skyhawks Sports Academy.
- Please bring a bottle of water and a snack daily.
- Participants should wear athletic clothing and shoes.
- Classes held at Sports Center.

## Mighty Hawk Basketball - Skyhawks Program

This camp is designed for youth 5-8. Emphasis will be on positive motivation, sportsmanship, teamwork and above all, fun. An introduction to the fundamentals of passing, shooting and dribbling. Campers will receive a basketball, T-shirt and player evaluation. Ages 5-8.

### Please Note:
